Career Plan

Developing a career plan is one of the crucial steps in defining your career path. As such, please complete all the steps and ensure your career plan is complete prior to submitting it to your supervisor.

You will be required to enter the name and email address of your immediate supervisor. Please ensure that the email address is correct. They system will use the email address you provide to email your supervisor with a temporary login name and password. The supervisor will then have 10 days to submit his comments and send your career plan on to the next stage of the approval process.

Please review your Career Plan. When you are ready, click on the **Submit Plan for Approval** button. Once you submit this Career Plan, an email will be sent to the supervisor (using the email address you provided in the **Contact Information** section). Your supervisor will be provided with a login name and password. For security reasons, the login name and password will be valid for only 10 days. If the Supervisor fails to complete your request within the time frame, then the supervisor will be locked out and you must resubmit this request. The system will then generate a new logon name and password that will again expire within 10 days.

We strongly suggest you schedule a meeting with your supervisor to discuss your career plans. Please bring a copy of your career brief, available at: https://ww2.afpc.randolph.af.mil/resweb/search_by_state_nlo.asp, to this meeting.

Career Plan

Developing a career plan is one of the crucial steps in defining your career path. As such, please complete all the steps and ensure your career plan is complete prior to submitting it to your supervisor.

You will be required to enter the name and email address of your immediate supervisor. Please ensure that the email address is correct. The system will use the email address you provide to email your supervisor with a temporary login name and password. The supervisor will then have 10 days to submit his comments and send your career plan on to the next stage of the approval process.
